'The Bluff'

'The Bluff' is a 123.7 hectare (303 acre) property nestled alongside the Liverpool Range. The property varies from creek flats to hilly country and then becomes very steep towards the back of the property. 'The Bluff' is well set up, with a comfortable weekender, complete with bathroom, kitchen and living space. Mains electricity is supplied to the weekender. Lorimer Creek flows along the boundary. There is a modest set of cattle yards and most of the fencing is stock proof. A great smaller acreage property, with a good opportunity to run some livestock, 'The Bluff' also offers the hunter, pigs, deer and the odd goat to have a shot at.
