Saying: 'a home away from home'. Meaning: Aldinga Rose.

If you're looking for a place as welcoming and equipped as yours then look no further. Anything that takes a beach holiday to the next level is here – from WIFI, Smart TVs & Board Games to a Coffee Machine, Tumble Dryer & Outdoor Shower. All of this, just 200m from the beach!

Named after its abundance of colourful Rose bushes, you'll love the fresh fragrance and occasional visits from butterflies.

Simply made for families there are combination of spots where everyone can gather, as well as a few spots you can sneak off to for some peace and relaxation.

Picture arriving home from the beach, taking a rinse in the warm water of the outdoor shower, surrounded by lush tropical greenery, popping the BBQ on, and pouring yourself a cool drink. The large open lawn is perfect to keep the kids busy with a game of footy while the adults overlook from the alfresco area. After dinner, you can start a game of cards or curl up on the sofa to watch that Netflix movie everyone's been raging about. The kids can even pick their own movie to watch from the comfort of their bedroom – complete with a Smart TV.

If you're staying for a little longer or just want to catch up on a few emails you'll love the dedicated workspace in the lounge – complete with sit/stand desk.

For those planning to bring the boat or jet-ski, there is ample parking behind the secure fence on the long driveway. Plus, Launching is easy, as you can drive onto the solid beach sand and waves are few and far between.

This home has so many fantastic features, but one that almost no others have is a garden gate which steps right out into a quiet walkway directly to the Esplanade (shared only by a few of your neighbours). From there Spenser point is just a few doors down, where you'll find Beach Access, a Playground and popular Sails.
