With an impressive driveway to the entrance, you will enjoy the street presence this home has to offer. Stepping through the front door you will appreciate tiled floors and led downlights, giving a sense of natural lighting. Starting off in the kitchen, you will find that it offers ample cupboard space, built in appliances and a breakfast bar for those quick meals. The dining area sits beside the kitchen, making it a great place to gather as a family while dinner is being prepared.

Heading down the hallway, you will find 3 spacious bedrooms that features built in robes, ceiling fans and reverse cycle air conditioning to keep your family comfortable all year round, while the main bedroom also boasts a private ensuite.

Stepping out to the rear, you will land underneath a veranda that overlooks the pool, where you can relax or go for a swim. The remainder of the back yard is a delight offering another undercover space to entertain friends or family with ample lawn space for the kids to roam free. Another benefit of the back yard is that you can enjoy your privacy as there are no rear neighbours.

Among the other impressive features of this home, you will also benefit from the double carport, garden shed in the yard to store your tools and solar panels to reduce living expenses.
