This property truly is your own slice of paradise and presents a family dream for those who want the country lifestyle away from all the noise, with easy accessibility to town in a beautiful estate and sought-after area. Not only does the block boast space, this home has been designed to provide as many living areas as possible to continue the theme of space and freedom that this property encapsulates.

Upon first glance this home screams convenience with its large front yard, side access gates, access to the back yard and its location on a peaceful and quiet street. This beautiful & modern family home is surely going to make an impression with its fantastic open design, good sized rooms & living spaces throughout on the brilliant 3,006m2 block. Its well-designed floor plan is perfect for easy living, comfort and elegance that suits all.

Once inside, you're instantly met with a spacious feel. The modern & neutral palette of the home is perfect for any colour scheme or style, allowing you to design the property with your own personal flair.

Opening out to the main space, you will find the gorgeous kitchen, expansive open plan living & dining area and a stunning view out to your back patio & yard.

The kitchen is the hub of every home and this spacious one will surely impress the chef in the family. It offers a contemporary design, stainless steel appliances, 6 burner gas cooktop, breakfast bar, dishwasher, an abundance of cupboard & bench space and an incredible walk in butlers pantry. It includes another sink, plenty of bench space, a lovely view outside and endless storage/pantry space.

Off the main living area is an additional media room! This separate room can have a ceiling fan and can be used as a 6th bedroom/nursery, large office, media room or kids play room - you name it!

This home allows is perfect for dual living with two separated areas. Heading off the main living is the second large open plan living/dining area. It includes a kitchenette, its own house front entry door, 2 well equipped bedrooms with ceiling fans, built in robes and windows and a bathroom with access from the first bedroom and main area. This well thought-out floor plan has been designed for versatility. Whether you need extra space to dual live or just want a separation between you and the kid's bedrooms, you can have some peace & quiet and lots room for everyone to spread out. The options are endless with this spacious home.
