Stunning designer home in the heart of the Inner West

Open for Inspection

By Appointment.

Making a stylish first impression with its contemporary good-looks, this 2014 built residence delivers a designer home for exceptional family living. Positioned on an easy care, north-east to rear 285sqm, its substantial floor plan includes free flowing living zones, high-end finishes and exceptional accommodation. A separate and private multi-purpose area makes a perfect home office, man-cave or breakaway space for the kids and is a desirable extra. Superb gardens and lawns at the rear promote tranquility, harmony and family enjoyment. This stunning home brings a fresh vision of urban style to the traditional streets of St Peters, imbued with industrial contemporary appeal and resting a few steps to the bus and a stroll to St Peters Public School, Sydney Park and the station.
