Best Kept Secret..!

From the moment you walk through the front door of this home, you can feel the peace and serenity of it surround you.

Privately situated on a lovely corner block, this much loved property presents a rare opportunity to secure a large family home in a premium location in one of the most tightly held streets in Terrey Hills.

Beautifully presented throughout, and without a cent to spend, the home sits on a corner block and is spread over a single level. Super private and slightly elevated, there's a wonderful outlook from the lounge over the beautiful wonderland that is Ku Ring Gai Chase National Park.

This home is absolutely perfect for those seeking spacious family living and who love to entertain. Everyone will adore the extended lawn area that flows resort-like around the deep blue, immaculate pool. It also offers a uniquely flexible floor-plan that includes entertaining areas - inside and out - that will make your heart sing!

Inside, the kitchen is in the heart of the house. Large enough for many helping hands, it's beautifully finished in warm timber and stone and offers great storage, a beautiful island bench, a wide oven with gas cooktop, generous fridge area and an integrated dishwasher.

Multiple living areas, both inside and out, ensure everyone is able to enjoy some space - as well as some peace and harmony. There's a dedicated home office space conveniently located by the front foyer. Relax with family and friends by the huge sparkling pool on the expansive lawn area, undercover on the entertaining deck or around the fire pit on the terrace.

There are many features throughout including a slow combustion wood fireplace with a gorgeous feature tiled wall, air conditioning and gas heating as well as ample storage within the house. There's a double carport with 'back door stairs' and a wonderfully accessible - and huge - under house storage area.

All this and only a 30 minute drive to Sydney's CBD and 45 minutes to the airport. There are famously scenic national park trails nearby, as well as Terrey Hills Oval, tennis courts, and local shops and restaurants. Great for growing families, there's also a variety of highly regarded primary and high schools - very nearby.

This is an ideal home for an active family who love to bush walk, bike ride, swim and entertain together!
