Unit 2 2

ASPEX Unit with Spectacular View!

LJ Hooker Gladstone are proud to introduce this luxurious apartment at "ASPEX" that offers you an amazing 107m² and boasts great views of the Auckland Inlet and off-shore islands and the East Shores Parks Precinct.

Open for Inspection

By Appointment.

This residence is without a doubt one of the best apartments in Gladstone and given the entertainment area and the views from this fantastic residence, this will certainly be one "hot property".

"Aspx" offers you a secure living environment, affordable luxury, fantastic water views, and a great place to kick back and enjoy the fantastic weather conditions we have in Central Queensland.

I have always been a big advocate of buying premium real estate in a blue chip location and this residence certainly ticks all these boxes and with the property prices now at the bottom of this pricing cycle & interest rates at an all-time low, there has never been a better time to secure a great property for a fantastic price than now.

So if you are looking for something special in the current market and enjoy the finer things in life then I would suggest a private inspection as soon as possible, as I can guarantee you that once this residence hits the open market there is going to be plenty of interest!

Some of the features of this fantastic apartment are as follows:

- 107m² apartment consisting of 2 spacious bedrooms and 2 modern bathrooms
- Great water views of the Auckland Inlet, off-shore Islands and the East Shores Parks Precinct
- Spacious open plan living areas with direct access to the outdoor balcony
- Stone feature benchtops throughout the kitchen and bathrooms
- Gourmet kitchen with top quality appliances
- Fully air conditioned
- Abundance of storage options
- Secure Car Parking.... Plus much, much more..!

If you have been waiting for an opportunity to take advantage of the current market conditions then I would suggest that you get here fast, as this is the best luxurious 2 bedroom apartment on the Queensland waterfront coastline!
