You will be pleased to see the whole home has been freshly painted and features beautiful polished original hardwood floors that have been brought back to life.

You enter the home from the inviting front porch where you could enjoy your morning cuppa, you then step into a very spacious open plan dining, kitchen and family room.

As you head down the hallway you will be delighted to find a generous master bedroom with a great walk-in robe which is a very rare bonus in this type of home.
