Outside, Kitchen, Lounge, Pool, Spa and Fire pit deck area, you could not wish for more. This unique home is a must see to believe right here in the middle of suburbia is paradise.

Designed to escape, unwind and restore, and, when the mood takes you, invite all those who know how to celebrate the best things in life.

### DESTINATION ONE.

A respectful transformation of your 1929 Character home is an elegant blend of tradition and modern.

How will you use all this considerable space?

The grace of your timber front veranda welcomes you. French doors invite you into the first living room with soaring ceilings and timber floors. Air conditioning comfort. Sunshine and tantalising glimpses of your outdoor world at every turn.

The modern, wet room style bathroom, is designed for ease and a little bit of luxury.

Two large bedrooms and a space perfect for a nursery, currently converted to an office.

Sun room space to get creative in. Family laundry is positioned to be a time savvy part of the action.

### DESTINATION TWO.

Imagine....

A fully equipped family sized kitchen, complete with Pizza Oven.

A bathroom. A dining space. A dancing space.

An exceptional Pool and Spa. (put a floating floor over the top of the pool and invite all to a life celebration)

A Bali hut to snooze in, yoga in or just be... You will find yourself staying here all night long.

The fire pit and a star gazing platform is yet another private location.

The background sound of running water nourishes your fish.

The private, mindful lush gardens take you yet on another journey
