Open for Inspection

By Appointment.

This apartment stands out from the rest with a large 62m2 approx. of external landscaped and paved courtyard space, premium finishes and high end appliances including 700mm gas cooktop, a built-in microwave and custom-built cabinetry. The perfect setting for entertaining family and friends with a spacious open plan living and dining seamlessly flowing out to the highly sought after north facing courtyard. The open-plan layout ensures you are flooded with natural light between rooms with easy access and a separate study nook perfect to work from home. Complete with ducted air conditioning, intercom, ample storage throughout and easy lift access straight from your car space to your door. Delivering unparalleled luxury and style throughout the entire apartment, enjoy sunrises and sunsets all year round.

Be among it all...
