A Truly Unique Architecturally Designed Home

This amazing home situated on approximately 4,320sqm of private and valuable land in a natural bushland setting.

This stunning home of huge proportions - approximately 450sqm living area - architecturally designed by renowned architect Peter Jansen, has been upgraded and modernised to the highest standards.

Mid-Century modern masterpiece!

With a North facing rear and filtered views to coast through the serene backdrop of established trees, and the delightful birdsong – truly a peaceful haven of style, comfort and privacy.

And just approximately 14Kms from Adelaide CBD! Also close to Blackwood shopping and amenities, zoned for Blackwood High School and Bellevue Heights Primary School.

This Mid-Century Modern home is complemented by a huge indoor swimming pool with separate spa and extensive entertainment areas.

Designed for large scale living and entertaining, both indoors and outdoors, this is an exceptional and most comfortable home to enjoy and be proud of!

Big on space, natural light and organic materials and style that ties into the surroundings, with intricate features throughout that are a hallmark of Peter Jansen's style.

Light-filled from every direction, the home is orientated to take advantage of the sun in all seasons.

Solidly built over two levels, this large home offers a flexible floorplan and multiple living spaces flowing seamlessly.

Entertain in style on the expansive balcony or the pool room with its separate areas – great for both intimate or large scale entertaining.

A huge bonus is the super sized 12.20 x 6.05 shed/workshop with wood floorboards
