SOPHISTICATED LOWER DUPLEX!

Get ready to fall truly, madly, deeply in love with this newly built, super stylish lower duplex!

Built to an exceptionally high standard!

At street level, there's a large double garage (shared with upper duplex), with additional off-street parking (tandem).

To the side, stone and concrete steps lead to the house through a wonderfully landscaped garden.

Complete two bedroom apartment, with a high standard of workmanship, with combined kitchen/living, two bedrooms, both with built-ins, carpet, and fans, the master opening to a small private terrace. It also has a wide, covered, timber deck at the front, again with sliding doors from the living area...a family bathroom/shower, and a neat laundry nook in the hallway.

There is everything you could need...Move in, unpack, start living the dream...!
