House 3  1  1 

Family Home in Quiet Street!

Three bedroom home tucked away at the end of a quiet street, and on St Andrews Hospital's doorstep, this lovely home is sure to stand out from the rest. Over and above the standard features of a brick home of this era, it offers an extra north east facing enclosed front veranda and an additional sunroom at the rear of the house. It also has side access to a garage and carport at the end of the property. The private yard is well maintained and enjoys backing onto a neighbourhood park. The property has three decent size bedrooms perfect for the family.
