This Cute Cottage is Waiting for You

In the ever-growing town of Molong, this cute cottage is ready and waiting for a new owner to love it. The sunny front verandah is welcoming, and the home is cosy and inviting. There are modern touches throughout including updates to the kitchen and bathroom and both the paint and carpet are in good condition. There is a formal lounge room at the front of the home and there are 3 good sized bedrooms plus a bonus room that could be an additional bedroom or a second family or rumpus room. The bathroom is in good order and there is a separate toilet which is always a convenience. The kitchen and meals area opens onto the covered outdoor patio and the huge backyard beyond. There is a single garage and a huge shed and workshop in the expansive yard that still has plenty of room for the kids and pets to run off some energy. Not too far at all from the shops and amenities of town this nice property is definitely worth a look.
