Industrial Land

Popular Local Butcher Shop | Wingham Gourmet Meat & Chicken

For the past 8 years, Wingham Gourmet Meat and Chicken has been serving the Manning Valley a rich and wholesome array of quality meats, shaping their reputation as one of the most popular butcheries in the area.

Locally owned, operated and family run, Wingham Gourmet Meat and Chicken offers an extensive range of fresh meats, inspired collaborations of ingredients and an iconic selection of smoked meats, gourmet sausages and tasty deli treats. Offering private kill services, assisting our local cattle producers in bringing fresh paddock to plate protein to their dinner table.

Throughout their time in business, Wingham Gourmet Meat and Chicken has received an honourable selection of awards and commendations on their exquisite range of produce, winning 1st place in the Australian Meat Industry Council Awards, as well as an assortment of gold, silver and bronze medals for a significant portion of their menu. Thinking outside the box and stocking a delicious range of flavours and textures, their meat is highly sought after resulting in a fast-paced and profitable small business.

Offered for sale with excellent trading figures a team of fully trained and qualified staff plus a catalogue of meticulously maintained equipment that is of the highest quality and functional requirements for the operation of day-to-day business, this is a solid opportunity for any butchers that would like to take an easy leap into owning their own business.

Well located in a highly exposed modern shopfront under a long term lease in the boutique township of Wingham; a riverside province with a rich cultural heritage. This remarkable up and coming town is soon to be revitalized with the Council's beautification project underway through the main centre of town. Conveniently placed for healthy foot traffic within easy walking distance to various specialty boutiques, green grocer and shops.
