YOUR FAMILY RETREAT

Set on a spacious corner block in a quiet pocket of suburban Maryland, this picture perfect family home offers great value in an excellent location. With a flowing open plan layout this home offers multiple living spaces and a dedicated dining area overlooking the sparkling in ground pool. The generous bedrooms offer built in robes, with a walk in robe and ensuite in the master suite perfect for storage and relaxation. Soak up the sun in the poolside outdoor entertaining space, or the covered alfresco area flowing from the living area. Be amazed by host of modern conveniences at your fingertips such as, ducted vacuuming system, gas cook-top, three-way main bathroom, and much more.

Within walking distance of award winning Glendore Public School and Fletcher Village, everything is at your doorstep. With multiple parks and reserves close at hand the family friendly nature of This Maryland pocket is plain to see. With the recent discovery by many of the excellent value Maryland and its surrounds have to offer, properties of this calibre in this location are sure to draw a lot of attention.

- Generous corner block in quiet pocket
