- CLOSE TO SHOPS & SCHOOLS

Open for Inspection

By Appointment.

Sitting on this great sized 1163m2 block, you will find an awesome 3-bedroom home offering plenty of opportunities for a first home owner or an astute investor.

The upper level of this home boasts a great sized carpeted lounge room with a split system air-conditioner, 3 bedrooms that all include ceiling fans and 2 which include built-in wardrobes, a stylish bathroom and a kitchen that was renovated in 2010.

The kitchen provides you with access to a covered deck area, which would be a perfect space to kick back and relax after a long week at work.

External stairs connect you to the lower level of the property where you will find a covered patio area that is fenced off from the rest of the backyard, ideal for buyers with pets.

Also on this level is a double lock-up garage which is also where the laundry is conveniently located with heaps of storage space.

The large fully fenced backyard contains established gardens around the fence line, making your property feel private and safe. There is a great sized garden shed in the backyard where you can store extra tools and gadgets.

Buyers will appreciate the right side of the property which boasts side yard access as well as a single carport for additional car accommodation.

This prime position property puts you within minutes to shops, schools and local amenities.

If you have been searching for a family home, or a n investment opportunity, please don't hesitate to contact the listing agents Glenn Ball and Lisa Jensen at First National Action Realty today.
