House 3  2  2 

Beautifully Tucked Away In The Haunted Hills

This solid brick veneer home is set in the very popular Haunted Hills. The original interior allows to put your own stamp on this home.

With a good size loungeroom and formal dining this space includes reverse cycle air conditioning, as well ducted heating throughout the home.

An enormous original kitchen with plenty of storage and bench space and another dining and living space off this area.

A good sized master bedroom with built in robe and ensuite as well as two further bedrooms both with built in robes.

This property is currently requiring new floor covering to the main living room as well as to all three bedrooms.

With some finishing off this property would make a lovely and inviting family home.
