This family friendly floor plan is ideal for the growing family or for those looking to downsize to a modern home with extra room to move. Currently owned by the original owner this home has been well loved and look after and maintained.

The large formal lounge room is big and offers good separation from the family & meal rooms. The formal dining could easily be used as a third living area and or 5th bedroom if not needed as a formal dining.

The master suite comes with nice plantation shutters walk in robe and good size ensuite that's been recently renovated. All bedrooms have fans and built ins and are of a good size.

The central kitchen offers loads of bench space with multiple cupboards and is perfectly positioned to take advantage of the open plan family and meals areas that are not only generous in size but offer commanding views out over the surrounding landscape. The high ceilings compliment the large living areas creating that feeling of extra spaciousness and style in this delightful light filled home.

The covered outdoor patio offers a great place to entertain and comes with the option and room to further expand to take advantage of the suburb outlook this property has to offer.

This beautiful home offers plenty of street appeal and is a great opportunity for those looking for a spacious home in quiet and secure location surrounded by other quality homes all on big blocks.
