With street appeal to burn this home exudes style and class from the street and won't disappoint with its flawless presentation and large range of brand new features and basically this home is practically brand new in every way.

A striking black front door welcomes guests inside where you will discover a formal entrance that flows onto a great sized carpeted lounge room boasting a ceiling fan, brand new carpets and an abundance of natural light.

As you continue exploring this family friendly floor plan you are sure to be blown away by the stylish brand new kitchen that offers plenty of bench and cupboard space, as well as your own fridge, dishwasher, built-in display cabinets and thick ceasarstone benchtops.

Adjacent to the kitchen is a mammoth sized family/dining area with more than enough space to accommodate a large dining table and lounge room suite. This bright and airy space is complemented by a split system air-conditioner to keep the family both warm and cool all year round.
