House 4  2  2 

Quality Built Home In Desired Location

If you are in the market for a beautifully presented, low maintenance home oozing style and class throughout then your search could be over.

With high end fittings and fixtures throughout, combined with spacious open plan design, this carefully thought out home is sure to impress.

Open for Inspection

By Appointment.

Features to the home include:

- Four fantastic sized bedrooms, all with built in robes
- Expansive, luxurious master suite with walk in robe and well-appointed ensuite
- The kitchen stars as the heart of the home, boasting waterfall edge stone tops, walk in pantry and stainless steel appliances
- Bathed in natural light, the north facing open plan living space caters to the whole family
- Ducted central heating and reverse cycle cooling for all year round comfort
- Pendant lighting, 8 foot high ceilings and custom features throughout

The low maintenance, secure back yard and outdoor patio complete this highly desirable property.

Your chance to move in to a fresh, modern recently built home is only a phone call away. Book your private inspection today.
