House 3  2  2 

Beautifully Constructed New Home

Secure yourself a beautiful, well appointed 3 bedroom, 2 bathroom, double garage, low maintenance property in the suburban area of Iluka. With the added bonus of a separate office and master bedroom with ensuite and a spacious walk in robe. Each of the bedrooms have built-in robes, not to mention the extra cupboards in the hall offering an amazing amount of storage.

Open for Inspection

By Appointment.

The enclosed outdoor area provides you with an outstanding view of the river and space around you to enjoy the open feel of the neighbourhood.

This unique property is only 4 years old and has been creatively designed to include a gourmet kitchen featuring a 900mm Smeg oven with gas hotplates, spacious pantry and ample cupboard space for the home chef.

If you would like to potter in the garden, there's the option to expand the already established veggie garden. With the property staying high and dry during the recent weather events, due to the elevated position. There really is so much on offer here.
