Move in and start selling!

This prominent site surrounded by many long standing businesses is being offered to the market for the first time in a very long time. It has undergone a substantial transformation in recent times, turning it into a modern showroom ready for someone to move in and start business.

Open for Inspection

By Appointment.

- Building size – Approximately 700m²
- High ceilings, approximately 4.5 metres
- Several offices, lunch room, bathrooms
- Ducted reverse cycle air conditioning.
- Dual access from Colson Street and Stuart Highway
- Land size – 3,530 m²
- Easement – Right of way easement to the neighbouring block

A slip road off the Stuart Highway allows this site to be accessed from both Stuart Highway and Colson Street. With the rising construction costs, this would be a great established site to jump into immediately and start business with no fuss.
