

Industrial Emerton CI, Cundletown, NSW 2430

Expressions of Interest

Residential Land

Mid North Coast's Most Prominent Industrial Development

We are seeking expressions of interest on this one of a kind prime industrial development site. Tying in with the 'Northern Gateway Project', located right on the edge of the Pacific Highway at Taree's northern exit.

An ideal destination for a transport hub or warehouse (subject to council approval) comprising three separate adjoining lots that have recently been rezoned to reflect their intended use.

Conveniently located on the Mid North Coast, 320km from Sydney and 600km from Brisbane.

The land consists of:

- Lot 1 approximately 40.5 hectares (100 acres) - mix of IN1 and RU1 zoning
- Lot 2 approximately 48 hectares (118 acres) - mix of IN1 and E2 zoning
- Lot 3 approximately 11.64 hectares (28 acres) - IN1 zoning

This development site is the biggest industrial development opportunity Taree has seen in many years.

For more information, contact Cameron Tate on 0437 877 719.
