Genshai * [GEN-shy]. Meaning: Never treat another person in a manner that would make them feel small – including yourself.
A good word, a good thought, a great way to live!

Feel world's away at this Sellicks Beach Sanctuary. Oozing only good vibes you simply can't help but to feel at peace. And don't be surprised if you catch yourself wondering the story behind all the intriguingly beautiful pieces throughout.

A heavenly space that also offers total comfort for all. Equipped with all the things you need to enjoy a coastal getaway with your family & friends. There is sure to be no arguments when it comes to sleeping arrangements with every bedroom equipped with a comfy queen or double bed, cooling and a built-in robe.

Gathering everyone for some much-needed quality time is a breeze. Sure to be a crowd pleaser is the large outdoor entertaining area complete with bar area, fridge, and large BBQ. Overlooking the enchanting garden, complete with tree swing, this is just another zen zone. Best of all, there are a couple of smaller spots for when some solo downtime is needed. The 'office' located off the end bedroom makes for a perfect morning yoga studio – and if that isn't quite your thing a cup of coffee on the front porch ensures the best start to your day.

Tucked only a street or two from the top end of the Esplanade, a short walk gets you to an amazing meandering clifftop trail to the beach – starting with a sweeping view of Cactus Canyon, the rolling hills and Nan Hai Pu Tuo Temple of Australia. Pop into Berg Herring Wines and the Victory Hotel, just up the road, to enjoy a taste of the region. Bringing the kids? Hastings Park is just down the street – enjoy a BMX track, shaded playground, skateboard bowl, basketball hoop, BBQ area and expansive lawn.
