Seacrest General Store - Sussex Inlet

A great opportunity to purchase a well-established takeaway & general store business located on one of the prettiest parts of the river in South Sussex.

The current owners have had the business for over 17 years and are now ready to retire. In that time the business has increased from your typical take-away to include general day to day items like bread, milk & daily papers plus cakes, specialty cakes, a dedicated lolly section for the kids and even serves a high tea once a month for their regular customers.

Business features:

- Well located across from the river, central to three caravan parks and Inasmuch Retirement Village
- High sales volume over summer but also good local clientele year round
- Trading seven days per week for lunch, eat-in or take-away
- All equipment owned and included in sale
- Stock included in sale
- Weekly sales average of \$5,000

Offering a good work life balance this business has lots to offer plus potential to increase sales and would suit a couple wanting a sea change but not ready to retire, or perhaps a local family looking for a change.
