Located in a quiet established street of Bundamba is an entry level home that could be the perfect first home. It provides everything you need with the possibility of adding your own touches.

This home sits on a great 608m2 block with side access from the concreted carport that leads you to the front entrance.

As you enter you will be pleased to see the large open plan lounge, dinning and kitchen area. There is plenty of cupboard and bench space on offer here which allows you to cook with ease.

You will then find three good sized carpeted bedrooms all including a fan to keep you cool in those hot summer months. Two of the bedrooms also feature wardrobes.

Off the same hall is the family bathroom for everyone to utilise alongside the laundry which provides access to the fully fenced back yard where the kids and pets can run free.
