Exquisite River Views

Iluka has many natural features that make it one of the most desirable towns on the North Coast. The positioning next to the Clarence River is one of those and this property takes advantage of that better than most. The views from the front veranda are simply outstanding and some of the broadest you will find in Iluka. Enjoy the river with confidence as this property remained flood free during the recent weather events.

Open for Inspection

By Appointment.

The home itself has many great features with modern touches. While still retaining scope for improvement and adding your own style. Set over a 784 sqm block with R3 zoning the options are plentiful. The main living spaces are on the first floor and take advantage of the views. The ground level has potential for conversion into living space or split level living. Side rear access to a double garage with a carport, offers great off street vehicle parking.

The views have to be seen for yourself to truly appreciate the special nature of what is on offer here. Call LJ Hooker Iluka today to book your inspection.
