House 2  1 

Character Cottage, Endless Potential

This 2 Bedroom Timber Home over the years has had both the kitchen and bathroom renovated and a large air-conditioner installed in the lounge and just recently the roof restored. There is a single carport and the underneath the Home has an area concreted to allow for storage. The fully fenced backyard offers security for the children or family pet. From the front verandah you have extensive views across the show grounds and race course to the distant bushland.
