House 4  2  2 

Warm and Cozy Living at your fingertips, only in Northshore!

North Shore living means having everything at your fingertips, including schools, shopping, parks, playgrounds, cycle paths, sports fields, entertainment, and employment opportunities. North Shore is a place where a better way of life comes naturally, where neighbors know each other by name, and where daily necessities are already just moments away.

Open for Inspection

By Appointment.

North shore is conveniently located 13 kilometers from Townsville CBD and 10 kilometers from Townsville Airport, making it an easy commute to major business districts and the RAAF Base.

At the Northern Beaches Leisure Centre, you can swim or slide. Join runners of all abilities on Saturday mornings for park run along North Shore's bushland trails. At The Green, you can also enjoy local boot camps, gyms, a youth hub, and sports fields.

The Town Centre has everything you need on a daily basis, including a Bunnings Warehouse, Woolworths, Dominos, McDonald's, a Caltex Star Mart, and medical and specialty stores.

Within the community, there are three modern state and private primary schools, as well as two childcare centers. A wealth of additional educational opportunities are nearby, including the world-renowned James Cook University.

There's always something to do after you've washed the sand off your feet. Enjoy your morning coffee at one of Millie J's locations, spend your evenings at the movies, cheer on the Cowboys at Queensland Country Bank Stadium, or dine at The Strand's waterfront restaurants.
