## Tidy Family Home

BEYOND Twenty One Real Estate is proud to present this tidy and well appointed family brick home. Set on a fully fenced block with separate front and rear yards, it is secure space for the children and family pets. A single car LUG on a cement slab could double as a workshop with power available.

Entering the home you will be suitably impressed by the spacious open plan Dining and Living space. The adjacent Kitchen is modern and well equipped with a new oven and boasting a walk in pantry space. Vinyl flooring in the living spaces provides a hard wearing solution for those high traffic areas.

The centrally located bathroom offers a separate bath and shower, easily accessible from all 3 carpeted Bedrooms and the second living area could be a Kid's play or entertainment space or even the home study.
