This spacious 3 bedroom town house is priced to sell and perfect buying for an astute investor with a great tenant in place paying \$430 per week until January 2023. 3 Bedroom townhouses in this very popular complex are hard to come by and are extremely popular due to the manicured complex and well-designed units with onsite managers.

All carpeted bedrooms are a great size and boast fans and built-in wardrobes. The Master has its own ensuite and air-conditioning. A private balcony is an added bonus from the second bedroom.

The generous size main tiled bathroom will appeal to the other members of the household with a separate bath and shower.

As you make your way down the carpeted stairs you will find the spacious living room with air-conditioning. The modern well-appointed kitchen is also on the lower level and boasts plenty of bench and cupboard space as well as a dishwasher, new oven and double sink. The bench doubles as a breakfast bar making your grab and go meals quick and easy.

You will find the internal laundry and 3rd toilet off the kitchen area.

As you step out the back you will come into a private back courtyard with a pergola which will be sure to please most and a wonderful space to enjoy a quiet drink after work.

Your vehicle will be taken care of in the single remote control garage which also provides internal access.
