House 5  2 

Five bedrooms and room to move

This lovely home will provide plenty of room for the whole family. With open plan kitchen and dining areas, the spacious kitchen has been upgraded. Reverse cycle split system airconditioning in the main living areas and bedrooms provide year round comfort. The master bedroom is at the end of the passage way with a walk through robe and large ensuite with full sized bath and access to the rear yard. The remaining four bedrooms are a good size (fifth bedroom or study). Outside you will find a fantastic outdoor entertainment area and a large double garage. Low maintenance gardens. Pets by negotiation. Contact our office for more information or book an inspection to view on our website.
