Positioned to offer the ultimate in lifestyle and convenience, very few other would rival this centrally positioned development. Location is of the utmost importance in modern day high density living and I would challenge anybody to find a best address.

Across from Tormore Reserve and only minutes walking distance to Boronia Junction shops, Boronia Train Station, Boronia College, Boronia West Primary, Dandenong Ranges National Park and within easy reach of Eastlink and Knox Shopping Centre. You name it, this property has it! An exceptional choice for first home buyers, downsizer or investors. A huge advantage with these properties is the council parking across the road, a place for friends and family to park when they visit.

Construction is due to commence October 2021 and completion is expected mid to late 2022.

Features include:

- 2 and 3 bedroom options
- 2 and 3 level options
