By Appointment.

If you are feeling unwell, please do not attend any inspections.

Step inside this amazing family residence located in the heart of Fisher. The contemporary design is ideal for a growing family wanting the best. Offering a spacious, low maintenance lifestyle and featuring a flowing, open floorplan with excellent natural light, privacy and a layout that is perfect for year round indoor/outdoor entertaining.

Elevated ceilings give this home an abundance of light and feel of open space. Timber floorboards throughout. Separate areas for a formal lounge, formal dining and casual family living spaces, as well as a gourmet kitchen with oversized pantry.

With an outdoor entertaining area to die for offering a large alfresco dining area that flows off the kitchen and casual dining area. This overlooks a private haven with pool and landscaped surrounds.

The setting offers easy convenience being within close proximity to Cooleman Court, Fisher sporting fields, quality schools, Woden Town Centre and the City Centre.

Features include:

- Five good size bedrooms
- Master ensuite and walk through robe
- Solar panels
- Ducted and zoned heating/air conditioning throughout whole house
- Log fireplace
- Automatic 7-station sprinkler/irrigation
- Keyless front door entry
- Garage 2.5 spaces with drive through option
