Underwood is a perfect location for those looking to live in proximity, but not necessarily within the hustle and bustles of Brisbane. With easy access to motorways like M1 or Gateway Bridge into city life while also having picturesque suburban views at your fingertips this area offers young families all they need - peace coated by natural environment.

Live a life of luxury in this place, where you are only minutes from all the amenities. You can take advantage of Westfield Garden City for its movie cinemas and boutique shops or visit Logan Hyperdome which houses an extensive shopping center with everything one could need! And if it's foodie culture that gets your heart racing then head straight over to Underwood Market Place.

Whether you're looking to send your kids off into primary school or start them early, our local state schools are a short walk away. We've also got some great colleges nearby that will help prepare them for life after graduation!
