House 3  2 

Tree top views!

Tree top views will see you loving this wonderful location with the perfect way to get into Kaleen and live life at the top of the hill. With views out to the treetops and a location hard to beat in this beautiful suburb. The split-level original design of this very cool, three-bedroom ensuite property, gives it a unique flavour, plenty of personality, along with a pretty good dose of versatility as well.
