At the heart of the design, a chefs' kitchen with premium Bosch appliances acts as a central focus for large scale gathering and gourmet meal preparation.

Three indulgent bedrooms provide enough accommodation for family and guests to reside. Imbued with a sense of elegance, yet distinctly contemporary, the luxe master wing leads through a row of custom cabinetry to a sensational ensuite.

Complete with zoned, ducted heating and cooling, video intercom, lift, decadent bathrooms and two car spaces and storage cage the sanctuary commands a prestigious position within walking distance to Caringbah hub and hospital.

All reasonable care was taken in the preparation of this add.
