Immaculate is an understatement when describing this charming property nestled on a large and fully fenced 817m2 block.

Located in the sought-after suburb of Sadliers Crossing, this desirable home showcases honey coloured polished floors, soaring high ceilings and original sash windows & French doors.

The current owners have lovingly cared for and restored this home over the past 38 years but sadly now it's time to downsize which presents a rare opportunity for you to secure your own piece of Ipswich history.

With a gorgeous street presence this home will entice you inside where you will discover a quaint front veranda which will be the perfect space to enjoy your morning coffee before work. This covered area is complemented by original fret work as well as freshly painted white privacy screens, ensuring a private lifestyle.

Inside the home retains its original Hoop Pine floors that feature throughout and give a rich warmth to the generously sized lounge room that comes complete with a ceiling fan and a split system air-conditioner. Buyers will appreciate the high ceilings that make this room feel extremely spacious and grand.

Adjacent from the lounge room is the fully renovated kitchen of the home which will be a dream come true for the budding chef in your family.

The kitchen showcases a large island bench that doubles as a breakfast bar and offers a dishwasher for ease of living.
