Q'lder Styling with Stunning Bay Views.

Yes, a most unique four Bedroom Apartment with views across Rose Bay to the Islands. The home was designed to reflect the character of a Q'lder House. Wide hardwood floors, high ceilings, ornate cornices, VJ's, cedar joinery and a solid timber kitchen are some of the discerning features. Have a look at the photos. The Bathrooms are of a similar period styling. You will be impressed with the size of the Living areas and the view is glorious.

This is a home with the focus on lifestyle, a very low maintenance property. Living on the corner of Nelson Parade and the Esplanade, one can walk to a wide variety of Cafés and Bars or relax at home and enjoy the scenery while entertaining indoors or on your Verandah. Boaties will appreciate the proximity to The Boat Clubs and Facilities and enjoy watching the parade of yachts passing through the Harbour Entrance. The Manly Village has evolved into one of the most popular bayside destinations, offering a range of family orientated amenities, shopping and lifestyle options. Situated just 25 minutes to Brisbane CBD, with easy access to the Gateway Motorway as well as the Brisbane Airport.
