Open for Inspection

By Appointment.

A 16-minute walk to the heartbeat of our beautiful city of Ipswich. Your life will change forever.

Please view our floor plan to discover how all of this works for you and yours.

COME INSIDE:

The original charm and features are fully respected. 3.2m graceful ceilings, gleaming timber floors and casement windows.

The transformation is complete with:

Lifestyle deck; insulated, powered and designed to celebrate with the biggest gathering.

Brand new Kitchen, with gas cooking, complete with dishwasher and comprehensive storage.

Air-conditioned living and dining, open plan space, with seamless deck access.

3 independent Bedrooms with strong storage and fans.

Main bedroom presents with front veranda access and private en-suite. Perfectly air-conditioned.

Traditional front veranda, elevated, with south facing views to St Mary's Church and Denmark hill.

Your European laundry is positioned on the rear deck.

A rare find where all the work is done and you get to live so much more and do so much less.

DOWNSTAIRS:

Secure tandem parking with storage options.

Yes, the garage door is remote access.

What will you do with this area?

OUTSIDE CONTINUES TO DELIVER.

Secure fencing to all boundaries and perfectly pet friendly. Mindful gardens with lawn areas to run and play. The garden lights are a gift with purchase.
