No need to jet set around the world to experience this endless summer.

Tucked away on a quiet street you'll love the sense of privacy and the oasis feel created by the lush greenery including vines and a shady fig tree. Though you'll feel worlds away you're actually central to all our crowd-pleasers. Being able to walk to the beach is a little hard to come by in holiday homes, but here you're a mere 300ms from a gentle stepping path down to the beach.

Inside you've got everything you need to enjoy our cruisy coastal lifestyle. Aesthetically the home boasts a traditional Aussie beach house style but with all the mod cons you'd expect and more throughout – from the all-important WIFI, Smart TV, and coffee machine to massage showers and ample heating & cooling options. Plus, the little touches make all the difference such as clothing storage in all bedrooms.

Perfect for family holidays the board games, books, bathtub, and fully fenced yard make this home as practical as it is enchanting.

*Please note the garages are not available for guest use.
