By Appointment.

The clay brick driveway leads to the side entry of this character filled solid brick home. Earth-toned decor features throughout including the red brick double fireplace, a rustic feature in the formal living room. A separate tiled dining area is adjacent to the timber kitchen that features electric cooking, a dishwasher and plenty of cupboard space.

All three bedrooms are carpeted with ceiling fans, the main bedroom has a convenient walk-through robe that leads to the ensuite bathroom.

The family bathroom is conveniently positioned close to the two minor bedrooms.

Other features include an undercover outdoor entertaining area, a garden shed and unlimited access to the surrounding bush environment beyond.

An idyllic approach to secluded living!
