Spacious Top Floor Three Bedroom Apartment With Peaceful Greenery Outlet!

This revamped and stunningly modern three bedroom apartment offers complete privacy with serene and peaceful surrounds creating a retreat style feel. Located in the heart of Brookvale, this perfectly positioned apartment provides standout convenience whilst feeling remote. Appropriately named the "Kilns", this historic listed location is the former local brickworks site established back in 1912 with the original machinery and the Kiln turned into a museum-like monument which has been incorporated into the common area of this extraordinary complex.

### Property Features:

- Brand new carpets throughout
- Modern kitchen with caesarstone benchtop, brand new oven and near new dishwasher
- Spacious lounge and living with direct access to large private entertaining balcony with leafy outlook
- Three generously sized bedrooms all with built in's and connecting balcony
- Main bedroom with walk in wardrobe feel and ensuite
- Internal laundry with near new dryer included
- Secure underground double parking with lift access
- Communal heated lap pool

Located in close proximity to local schools, direct transport to the CBD and Warringah Mall, this property provides a significantly effortless lifestyle. The natural light and tranquil location makes it hard to believe this apartment is in the heart of Brookvale. This property is not one to be missed!
