Enjoying an expansive open plan design, the home is situated at the back of the block overlooking the property & a stunning Hinterland outlook.

There are 5 Bedrooms plus an office or media room with the large master bedroom having an excellent sized walk-in robe plus an ensuite with spa. Two of the secondary bedrooms are separated by a rumpus creating a wonderful living situation for the kids away from the main living area. Also, the unique design of the home allows an excellent situation for games rooms or home business/office environment.

The kitchen is the central hub of the home overlooking the open plan living spaces with plenty of cupboard space, walk in pantry, stone benchtops & dishwasher. The property itself has an inground pool great for those hot sunny days, large shed 9x 6 & chicken coop.
