Open for Inspection

By Appointment.

If you have been looking for a renovator to provide you with countless possibilities, you won't want to miss out on this one-off opportunity.

Nestled on a big 809m2 block and situated minutes away from the centre of town, this prime position property's location cannot get any better than this.

Found on the first level of this Queenslander are 2 air-conditioned bedrooms and a combined carpeted family / dining area boasting an additional air-conditioner and ceiling fan. On this level, you will also find the kitchen offering plenty of room for bench and cupboard space.

Adjacent from this area is a study nook, followed by a bathroom including a separate toilet.

Via access from external stairs you will be taken to the lower level of the property where you will find the laundry, under house storage and the garage.

With some hard work and loving hands, this quaint Queenslander could be transformed into the beautifully renovated home you've been dreaming of.

Buyers will appreciate that this property sitting on a corner block is fully fenced meaning pets and children will be able to play and run free.

As for location, you are;

- Approx. 10 minute drive to the centre of town
- Approx. 6 minute drive to Booval Fair Shopping Centre
- Approx. 4 minute drive to Bundamba State School
- Approx. 5 minute drive to nearest train station
