Have you been searching for a move in ready character home nestled in the beautiful suburb of Newtown? Well I have certainly found the perfect property for you. With gorgeous street appeal, and a fresh coat of paint inside and out, this one off opportunity is one you wont want to miss.

As you enter this property, the massive U-shaped, covered verandah will instantly catch your eye and is the perfect space to enjoy your morning coffee or read your book in the afternoon.

Once inside, buyers will be greeted to the open lounge room offering an air-conditioning unit to keep you cool during hot summer months. French doors from this space take you onto the U shaped verandah. Buyers will appreciate the high ceilings that make this property feel so spacious and grand.

Adjacent to this area is the gorgeous combined dining and kitchen area, offering stunning views of the backyard. Parents will appreciate that they will conveniently be able to keep an eye on the children whilst cooking in the spacious timber kitchen. This area then follows through to a newly carpeted office area, perfect for buyers who work from home.

Also showcased in this lovely floorplan are three generous sized bedrooms all including built-in robes. The 2 front bedrooms have the beautiful French doors that give you private access onto the verandah. Parents will love that the master bedroom offers you a large walk in wardrobe and its own air conditioning unit.
