Congratulations. We are ready for you right now.

794 m2 corner block is designed to practice your golf and practice your putting.

THE BIG REVEAL:

- 5 BEDROOMS
- 3 BATHROOMS
- 4 LIVING AREAS
- 2 CAR
- 2 LEVELS

COME INSIDE - GROUND LEVEL:

The feeling is elegant and light filled with soaring ceilings and perfectly air-conditioned throughout.

Spreading out is easy with four areas to choose from and all the family can have their own space.

How will you make these spaces work for you and yours?

The bedroom on this level is serviced by your own bathroom and is ideal for your live-in parent or guests.

Family kitchen is complete with comprehensive storage, dishwasher and electric cooking. This is where family gather and connect.

Seamless access to the rear patio and backyard.

Immediate internal access from the remote garage.

The laundry is positioned to multi task.

LEVEL ONE:

Your elevation offers gentle breezes and quiet space with glimpses of the sky at every turn.

The three private bedrooms are serviced by a family bathroom, complete with separate bath and shower. All bedrooms are independently air-conditioned with robes and ceiling fans.
