Avalon Living - Footsteps to the Beach

On the beach, footsteps to Avalon Village...a million miles away from everyday...

On the first floor of a small block of flats, on the headland, this gorgeous apartment has been thoughtfully fit out. With timber flooring and v-grooved ceilings it is the perfect beach-side rental.

The comfortable living room, dining area and kitchen, opens to a North-facing juliet balcony. The quiet queen bedroom is ideal for an afternoon snooze or a deep sleep. Also, a good sized bathroom with shower and bath to relax in.

All told, perfect for anyone looking for a beach break or a quiet retreat, or a base to go exploring across the Peninsula.

Avalon Village is literally across the road, with a wide range of fabulous Cafes, restaurants and shops. And there are more beaches nearby than you can imagine...Bilgola, Avalon, Whale and Palm Beach for a surf, or for a gentler swim in the iconic ocean pools at each, and Pittwater for calmer waters.

There is a wide range of fabulous restaurants for all tastes and budgets, and spectacular walks if you need to stretch your legs.
