FAMILY ZONE. BUSH FEEL. CORNER 992M2

This family home is designed to connect the outdoors to the indoors. You are invited to become part of the fabric of the gentle neighbourhood.

The elevated, corner block offers you access to the rear yard and the feeling is private, green space.

Make that one call to discover and embrace the love, care and your unique opportunity to call all this Home.

Please explore the floor plan and engage with how all this quiet, elegant living will work for you.

ALFRESCO GATHERING:

Your easterly facing, fully tiled 3.4m x 6.5m rear patio is where life happens.

Gas is connected to the outdoors cooking zone and the views are to bush land. Breathe out!

From the purpose-built gym you can workout and keep a watchful eye on the children at play in the yard that supports organic veggie patch, hand chosen native trees and flat ground to run and play.

COME INSIDE:

Stepping inside you know this is not your average home. Light filled with glimpses of green at every turn and designed for family to live connected, while affording everyone their own space plus the creative space of your children's retreat lounge area.
